

Fire Extinguishers

If a fire is discovered, do the following before attempting to extinguish the fire:

- 🔥 Notify and evacuate occupants!
- 🔥 Sound fire alarm, if there is one.
- 🔥 Call 9-1-1!
- 🔥 De-energize electrical equipment, if involved.

Fire Extinguisher Usage:

- 🔥 Only use if can be done safely!
- 🔥 Only if you have a safe escape route!
- 🔥 Identify what is on fire!
- 🔥 Select and use proper fire extinguisher!
- 🔥 Never allow fire between you and your escape route!
- 🔥 Avoid breathing the smoke!
