

Builders Risk Low-Complexity Solution

Argo Marine has partnered with Vindati to introduce an automated platform to handle low-complexity builders risks.

This platform will eliminate your team's frictional cost while providing compliant forms and endorsements for smaller projects.

Commission: 17.5%

APPETITE:

Ground-up construction projects, including commercial, institutional, retail and residential:

- Non-structural renovation and rehabilitation projects
- Deductible options from \$1,000 to \$25,000
- Projects with durations up to 36 months
- Superior construction up to \$20 million in TIV
- Frame and joisted masonry up to \$5 million in TIV
- Comprehensive AAIS builders risk forms
- Coverage territory: continental U.S., excluding Hawaii, Alaska and Puerto Rico

Two ways to access the program:

Option 1

Visit vindati.com:

- Use Access Code ARGO to gain access to Vindati's online quoting platform.
- Customize your quote to address the individual risk, enhance coverages and get instant results.
- Bind the risk in a matter of minutes.

Option 2

Send your builders risk submissions with the information below to GetArgoMarineQuote@vindati.com:

- Name of insured
- Address
- Construction type (masonry, frame, etc.)
- Rehab/renovation
- Hard costs
- Number of stories
- Square footage
- Start date
- Anticipated number of months to complete

Coverage is always subject to all of a policy's terms and conditions. This is a summary of certain key aspects of coverage. Review the policy form for complete terms and conditions. Products are underwritten by U.S. insurers that are members of Argo Group. Some products are only available through an authorized surplus lines insurer.
