- For any information that exceeds the space provided, continue responses on your letterhead.
- This form must be completed, dated and signed by an authorized officer of the Applicant to include this completed form as part of the Application.

1. Name of Applicant:

2. Name of Client:

3. Name of Project:

4. Location:

5. Description of Project:

6. Current Policy Limit:

7. Additional limit needed:

a. Per claim:

b. Annual aggregate:

8. Services to be provided (including % breakdown of each service).

Architecture	%	Landscape Architecture	%
Civil Engineering	%	Land Surveying	%
Construction/Program Management	%	Mechanical Engineering	%
Electrical Engineering	%	Structural Engineering	%
Geotechnical Engineering	%	Other (specify):	%
HVAC Engineering	%	Other (specify):	%

9. Construction Value:

10. Your total contract fee:

11. Total estimated fee for entire design team:

12. Are you the Prime? Yes No

13. Is this a repeat client for the Prime Design Firm? Yes No

14. How many projects have the Prime Design Firm and the Client worked on together over the past ten (10) years?

15. How many projects have the Prime Design Firm and General Contractor worked on together over the past ten (10) years?
16. Dates of Design: Start Date:
End Date:
17. Est. Construction: Start Date:
End Date:
18. Have any claims been made or legal action been brought in the past ten years (or made earlier and still pending) against you or the Prime Design Firm or any consultants hired by the Prime Design Firm, its predecessors(s) or any past or present principal, partner, officer, director, shareholder or employee? Yes No
If "Yes", please provide Claims Supplemental Application.
19. After complete investigation and inquiry, do any of the principals, partners, officers, directors, members, shareholders, employees, or insurance managers of the Prime Design Firm or any consultants hired by the Prime Design Firm have knowledge of any act, error, omission, fact, incident, situation, unresolved job dispute (including owner contractor disputes), accident, or any other circumstance that is or could be the basis for a claim under the proposed insurance policy? Yes No
If "Yes", on a separate sheet please give details of this situation, including name of project and claimant, dates, nature of situation and amount of damages.
20. Will the project utilize an automated master specification system? Yes No
21. Will the project utilize a model-based technology linked to a database of project information such as Building Information Modeling (BIM)? Yes No
22. Will the Prime Design Firm:
- a. Have a procedure for monitoring and collecting fees? Yes No
 - b. Engage in pre-project planning process resulting in a project definition document? Yes No
 - c. Have contract deliverables either internally or externally peer reviewed? Yes No
 - d. Complete a constructability review during project design? Yes No
 - e. Maintain documented submittal or shop drawing by indicating as planned dates, actual dates of receipt and response? Yes No
 - f. Is there a system in place to identify crucial timing for construction site visits and project meetings between the design and construction team? Yes No
 - g. Does this system assist with the coordination and facilitation of visits/meetings by various design disciplines? Yes No
 - h. Does this system facilitate the collection of field/site visit reports in one centralized location? Yes No
