SECTION V – EXTENDED REPORTING PERIODS

In the event this policy is cancelled or non-renewed by either the Named Insured or the Insurer, an Insured is entitled to the extensions of coverage shown in this Section.

A. Automatic Extended Reporting Period

An Extended Reporting Period is automatically provided to the Named Insured without additional charge. This period starts at the end of the Policy Period and lasts for 60 days, or the date another policy for professional liability insurance applicable to the Named Insured takes effect, whichever occurs first.

1. There will be no entitlement to this Automatic Extended Reporting Period if cancellation or non-renewal is due to any Insured’s non-payment of premium or deductible due, or failure to comply with the terms and conditions of the policy, or if the Policy was issued based upon a misrepresentation by any Insured.

2. This Automatic Extended Reporting Period will be subject to all the terms and conditions of this policy and will apply to Claims first made against any Insured and reported to the Insurer during the Automatic Extended Reporting Period and that arise out of any Wrongful Act that occurred or is alleged to have occurred subsequent to the Retroactive Date, if any, and before the end of the Policy Period.

3. The fact that the period during which Claims may be reported to the Insurer under this policy by way of this Automatic Extended Reporting Period does not in any way increase the Limits of Insurance of this policy.

4. If any other policy of insurance in effect would apply to any Claims first made against the Insured during the Automatic Extended Reporting Period, then coverage provided under this Automatic
Extended Reporting Period will apply in excess of such other insurance.

B. An Optional Extended Reporting Period is available to the Named Insured, but only by an endorsement and for an extra premium charge as shown in Item 7 of the Declarations.

1. The Named Insured must give the Insurer a written request for the endorsement and pay any premium due within 60 days after the end of the Policy Period. The Optional Extended Reporting Period will not go into effect unless the Named Insured pays the additional premium promptly when due.

2. The Optional Extended Reporting Period is non-cancellable and starts upon the expiration of the Policy Period.

3. All premiums paid for the Optional Extended Reporting Period will be deemed fully earned and non-refundable as of the first day of the Optional Extended Reporting Period.

4. There will be no entitlement to this Optional Extended Reporting Period if cancellation or non-renewal is due to any Insured's non-payment of premium or deductible due, or failure to comply with the terms and conditions of the policy, or if the policy was issued based on a misrepresentation by any Insured.

5. This Optional Extended Reporting Period will be subject to all the terms and conditions of this policy and will apply to Claims first made against any Insured and reported to the Insurer during the Automatic Extended Reporting Period and that arise out of any Wrongful Act that occurred or is alleged to have occurred subsequent to the Retroactive Date, if any, and before the end of the Policy Period.

6. The fact that the period during which Claims may be reported to the Insurer under this extension does not in any way increase the Limits of Insurance of this policy.

C. Nonpracticing Extended Reporting Period

If, during this Policy Period, any Insured permanently and totally retires or otherwise voluntarily ceases the practice of providing the Professional Services insured by this policy, and has been insured by a Professional Liability Insurance policy issued by the Insurer for at least the 7 consecutive years immediately preceding, and the Insured is at least 55 years of age, the Insurer will, subject to the provisions of paragraphs A. and B. above, issue a Nonpracticing Extended Reporting Period endorsement.

1. This Nonpracticing Extended Reporting Period is provided until such Insured resumes the Professional Services insured by this policy, or until the death of such Insured in which case paragraph D.1 below will apply.

2. No additional premium will be charged for this coverage, nor will any premium be refunded.

D. Death or Disability Extended Reporting Period

If during the Policy Period, any Insured dies from a cause other than suicide or becomes totally and permanently disabled, an extended reporting period is provided until the executor or administrator is discharged or until the disability ends. However, the Death or Disability Extended Reporting Period will never be longer than seven years from the date of death or disability. No additional premium will be charged for this coverage, nor will any premium be refunded.

1. In the event of death, the Insured's estate must, no later than 60 days after the end of this Policy Period, provide the Insurer with written notice that the extended reporting period is desired. This notice must include written proof of the date of death.

2. In the event the Insured becomes totally and permanently disabled, the Insured or the Insured's legal guardian must, no later than 60 days after the end of this Policy Period, provide the Insurer with written notice that the extended reporting period is desired. This notice must include written proof that the Insured is totally and permanently disabled, including the date the disability began, certified by the attending physician. The Insured agrees to submit to medical examination(s) by any physician(s) designated by the Insurer, if requested.
This extended reporting period is subject to the conditions set forth in paragraphs A. and B. above.

SECTION VI – GENERAL CONDITIONS

A. Defense, Settlement And Cooperation

1. The **Insurer** has the right and duty to defend any **Insured** against any **Claim**, even if the allegations of such **Claim** are groundless, false or fraudulent. The **Insurer** will designate, or, at the **Insurer's** sole discretion, approve counsel chosen by the **Insured** to defend the **Claim**. However, the **Insurer** has no duty to defend any **Insured** against any **Claim** to which this insurance does not apply.

   This policy has provisions whereby the **Insurer** will pay on the **Insured's** behalf certain costs incurred as a result of defending a **Disciplinary Proceeding** or responding to a subpoena for documents or testimony; however the **Insurer** has no duty to defend the **Insured** in any such **Disciplinary Proceeding** or in connection with any such subpoena assistance as shown in SECTION I – COVERAGES, B. Supplemental Payments, item 5. of this policy.

2. The **Insurer** has the right to make any investigation the **Insurer** deems necessary and, with the **Insured's** consent, make any settlement of any **Claim** covered by the terms of this policy.

3. The **Insured** will not, except at the **Insured's** own cost, make any payment, admit any liability, settle any **Claim**, assume any obligation or incur any expense, without the **Insurer's** prior written consent, such consent not to be unreasonably withheld.

4. If the applicable Limit of Liability shown in Items 4 and 5 of the Declarations are exhausted by the payment of **Loss**, then all of the **Insurer's** obligations under this policy will be completely fulfilled and exhausted, and the **Insurer** will have no further obligations of any kind or nature whatsoever under this policy. If the applicable Limit of Liability shown in the Declarations is exhausted prior to settlement or judgment of any **Claim**, the **Insurer** will have the right to withdraw from further investigation or defense by tendering control of such investigation or defense to the **Insured**, and the **Insured** agrees, as a condition to the issuance of this policy, to accept such tender.

5. The **Insured** must cooperate with the **Insurer** and assist the **Insurer** in investigating and defending any **Claim** or **Potential Claim** or investigating any event resulting in coverage under Insuring Agreement B: Supplemental Payments. Upon the **Insurer's** request, the **Insured** must submit to examination and interrogation by the **Insurer's** representatives, under oath if required, and the **Insured** must attend hearings, depositions and trials, and assist in effecting settlement, securing and giving evidence, obtaining the attendance of witnesses and in the conduct of suits and other proceedings, as well as in the giving of a written statement or statements to the **Insurer's** representatives including investigating and coverage counsel, and meeting with such representatives for the purpose of investigating and defense, including the investigation of coverage issues or defense. The **Insured** must further cooperate with the **Insurer** and do whatever is necessary to secure and effect any rights of indemnity, contribution or apportionment which the **Insured** may have.

B. Reporting And Notice

1. Reporting of **Claims**

   If, during the **Policy Period** or any Extended Reporting Period, any **Claim** for a **Wrongful Act** is first made against any **Insured**, as a condition precedent to the **Insured's** right to coverage under this policy, the **Insured** must give the **Insurer** written notice of such **Claim** as soon as practicable, but in no event later than the later of 60 days after the expiration date or earlier termination date of this policy, or the expiration of any Extended Reporting Period, if applicable.

   Timely and sufficient notice of a **Claim** by one of the **Insureds** will be deemed timely and sufficient notice for all of the **Insureds** involved in the **Claim**. Such notice must give full particulars of the **Claim**, including, but not limited to: a description of the **Claim** and **Wrongful Act**; the identity of the **Insured** and all potential claimants involved; a description of the injury or damages
that resulted from such Wrongful Act; information on the time, place and nature of the Wrongful Act; and the manner in which the Insured first became aware of the Claim.

2. Reporting of Potential Claims

If, during the Policy Period, any Insured first becomes aware of any Potential Claim, the Insured will give the Insurer written notice of such Potential Claim with full particulars as soon as practicable thereafter, but in any event before the end of the Policy Period. If such Potential Claim later becomes a Claim not otherwise excluded by this policy, such Claim will be treated as if the Claim had been first made during the Policy Period. Full particulars include, but are not limited to: a description of the Potential Claim; the identity of the Insured and all potential claimants involved; information on the time, place and nature of the Potential Claim; the manner in which the Insured first became aware of such Potential Claim; and the reasons the Insured believe the Potential Claim is likely to result in a Claim.

3. Notice regarding Crisis Management Expenses

If, during the Policy Period, a Wrongful Act, Privacy Breach, Security Event, Social Engineering Incident or Pollution Incident occurs, then as a condition precedent to the Insured’s right to coverage under this policy for Crisis Management Expenses, the Insured must give the Insurer written notice of such Wrongful Act, Privacy Breach, Security Event or Social Engineering Incident as soon as practicable, but in no event later than the expiration date or earlier termination date of this policy.

Such notice must give full particulars of the Wrongful Act, Privacy Breach, Security Event, Social Engineering Incident or Pollution Incident, including, but not limited to: a description of the Privacy Breach or Security Event; the identity of the Insured and all potential claimants involved; and the manner in which the Insured first became aware of such Wrongful Act, Privacy Breach, Security Event, Social Engineering Incident or Pollution Incident.

4. Notice of Disciplinary Proceedings and Subpoenas

If, during the Policy Period:

a. a Disciplinary Proceeding is first initiated against any Insured and covered by SECTION I – COVERAGES, B. Supplemental Payments, 3. Disciplinary Proceedings; or,

b. any Insured first receives a subpoena covered by SECTION I – COVERAGES, B. Supplemental Payments, 4. Subpoena Assistance;

then as a condition precedent to the Insured’s right to coverage under this policy, the Insured must give the Insurer written notice of such Disciplinary Proceeding or subpoena as soon as practicable, but in no event later than the end of the Policy Period.

Such notice must give full particulars of the Disciplinary Proceeding or subpoena, including, but not limited to: a description of the Disciplinary Proceeding or subpoena; the identity of the Insured and all potential claimants involved; and the manner in which the Insured first became aware of such Disciplinary Proceeding or subpoena.

5. Notice required for Supplementary Cleanup Costs Coverage

If, during the Policy Period, a Pollution Incident occurs, then as a condition precedent to the Insured's right to coverage under this policy for Supplementary Cleanup Costs Coverage under SECTION I – COVERAGES, B. Supplemental Payments, 5. Supplementary Cleanup Costs Coverage, the Insured must immediately:

a. record the specifics of the Pollution Incident, including how and when it took place, as well as details regarding the Professional Service provided;

b. record a detailed description of the nature, scope and estimated amount of the Cleanup Costs; and

c. notify the Insurer in writing as soon as practicable but in no event after the Policy Period.
6. Notices

All written notices required herein must be sent to the **Insurer** at the **Insurer’s** physical address or e-mail address shown in Item 9 of the Declarations.

C. Multiple Wrongful Acts, Claims or Claimants

Two or more **Claims** arising out of a single **Wrongful Act**, or any series of related **Wrongful Acts**, will be considered a single **Claim**. Each **Wrongful Act**, in a series of related **Wrongful Acts**, will be deemed to have occurred on the date of the first such **Wrongful Act**.

D. Organizational Changes

1. If, during the **Policy Period**:
   a. the **Named Insured** or any **Subsidiary** are merged with, consolidated into or acquired by or with another entity such that the **Named Insured** is not the surviving entity; or
   b. a receiver, conservator, trustee, liquidator or rehabilitator, or any similar official is appointed for or with respect to the **Named Insured** or any **Subsidiary**; then

   coverage under this policy will continue in full force and effect with respect to **Professional Services** rendered before such event, but coverage will cease with respect to **Professional Services** committed after such event. After any such event, this policy may not be canceled by the **Named Insured** and the entire premium for this policy will be deemed fully earned.

2. If, during the **Policy Period**, the **Named Insured** or any **Subsidiary** merges, consolidates or acquires an entity whose gross revenues for the prior year are equal to or greater than 50% of the annual gross revenues of the **Named Insured** as reflected in the **Named Insured’s** most recent consolidated financial statement prior to such merger, consolidation or acquisition, then no coverage will be afforded under this policy for any **Claim** involving such assets or entity unless the following conditions are met:
   a. The **Named Insured** provides written notice of such merger, consolidation creation, or acquisition to the **Insurer** within 60 days after the effective date of such merger, consolidation, creation or acquisition, or by the end of the **Policy Period**, whichever is earliest;
   b. The **Named Insured** provides the **Insurer** with such information as the **Insurer** may deem necessary;
   c. The **Named Insured** accepts any special terms, conditions, exclusions or additional premium charge as may be required; and
   d. The **Insurer**, at the **Insurer’s** sole discretion, agrees to provide such coverage.

E. Other Insurance

This insurance will apply only as excess of the applicable Deductible amount shown in Items 4 and 5 of the Declarations and the amount of any other valid and collectible insurance available to any **Insured** whether such other insurance is stated to be primary, pro rata, contributory, excess, contingent or otherwise, unless such other insurance is specifically written as excess insurance over the Limits of Liability provided in this policy.

F. Cancellation and Non-Renewal

1. Cancellation
   a. The **Named Insured** may cancel this policy by mailing or delivering advance written notice to the **Insurer** at the **Insurer’s** address shown in Item 9 of the Declarations, stating when cancellation will be effective. If the **Insured** cancels this policy, the **Insurer** will retain the customary short rate portion of the premium.
   b. The **Insurer** may cancel this policy by mailing written notice to the first **Named Insured** shown in Item 1 of the Declarations stating when, not less than 30 days thereafter (or such longer period of time as required by applicable law), such cancellation will be effective.
c. However, if the **Insurer** cancels this policy because the **Named Insured** has failed to pay a premium or Deductible when due, the **Insurer** may cancel this policy by mailing written notice of cancellation to the first **Named Insured** shown in Item 1 of the Declarations stating when, not less than 10 days thereafter (or such longer period of time as required by applicable law), such cancellation will be effective. Such notice will apply to all of the **Insureds**. If cancelled by the **Insurer**, earned premium will be computed pro rata.

2. Non-renewal

If the **Insurer** elects not to renew this policy, the **Insurer** will mail to the first **Named Insured** shown in Item 1 of the Declarations written notice of non-renewal at least 60 days prior to the expiration date of this policy. If the notice is not given at least 60 days prior to the expiration date, the policy will continue in force until 60 days after the notice of intent not to renew is received by the **Insured**.

Notice of non-renewal will not be required if the **Named Insured** has obtained replacement coverage or have requested or agreed to non-renewal.

G. Subrogation

In the event of any payment under this policy, the **Insurer** will be subrogated to all the **Insured's** rights of recovery against any person or organization; provided that the **Insurer** will not exercise any rights of subrogation against any of the **Insureds** who did not commit the wrongdoing.

The **Insured** will execute and deliver instruments, papers, and do whatever else is necessary to secure such rights, and do nothing to prejudice such rights.

Any amount recovered upon the exercise of such rights of subrogation will be applied as follows: first, to the repayment of expenses incurred in recovery by exercise of such subrogation rights; second, to **Loss** paid by the **Insured** in excess of the limits of liability; third, to **Loss** paid by the **Insurer**; fourth, to **Loss** paid by the **Insured** in excess of the deductible amount; and last, to the repayment of any deductible amount paid by the **Insured**.

Notwithstanding the above, the **Insurer** hereby waives such subrogation rights against any **Insured** under this policy, and also against any client of the **Insured**, to the extent that the **Insured** had, prior to any **Claim** or circumstance that might reasonably be expected to be the basis of a **Claim**, a written agreement to waive such rights, provided that prior to such writing no **Insured** had a basis to believe that any matter asserted in such **Claim** or circumstance might reasonably be expected to be the basis of a **Claim**. In no event will any **Insured** waive any of its rights of subrogation after it has become aware of any **Claim**, or any circumstances that may give rise to a **Claim**, against any **Insured**.

H. Bankruptcy or Insolvency

Bankruptcy or insolvency of any **Insured** or of any **Insured's** estate will not relieve the **Insurer** of any of the **Insurer's** obligations or deprive the **Insurer** of any of the **Insurer's** rights under this policy.

I. Policy Territory

This policy applies to **Wrongful Acts** occurring anywhere in the world where legally permissible; however, no coverage will be available under this policy for any **Claim** brought, or occurring in any country with which the United States of America does not have active diplomatic relations at the time such **Claim** is made.

All premiums, Limits of Liability, deductibles and other amounts under this policy are expressed and payable in the currency of the United States of America. If judgment is rendered, settlement is denominated or another element of **Loss** under this policy is stated in a currency other than United States Dollars, payment under this policy will be made in United States Dollars at the rate of exchange on the date the final judgment is reached, the amount of the settlement is agreed upon or the other element of **Loss** is due, respectively.
J. Assignment
Neither this policy nor any Insured’s interest in this policy may be assigned without the Insurer’s written consent.

K. Liberalization
If the Insurer adopts any revision to this form that would broaden coverage under this policy without additional premium at any time during the Policy Period, the broadened coverage will immediately apply to this policy, except that it will not apply to Claims that were first made against any Insured prior to the effective date of such revision.

L. Policy Changes
Notice to or knowledge possessed by any broker or other person acting on the Insured’s behalf will not effect a waiver or change in any part of this policy or prevent or estop the Insurer from asserting any right(s) under this policy. This policy can only be altered, waived or changed by written endorsement or agreed to in writing by an authorized representative of the Insurer.

M. Action Against the Insurer
No action can be brought against the Insurer unless, as a condition precedent, the Insured has fully complied with all the terms and conditions of this policy. Nothing contained in this policy gives any person or organization the right to join the Insurer as a party to any Claim to determine the Insured’s liability.

N. Waiver
The Insurer’s failure to insist on strict compliance with any of the terms or conditions of this policy or the failure to exercise any right or privilege will not operate or be construed as a waiver of any subsequent breach or a waiver of any other terms, conditions, privileges or rights.

O. Representations
By accepting this policy, all Insureds agree that all statements made and information furnished to the Insurer are true, accurate and complete, and that this policy has been issued in reliance upon the truth and accuracy of those representations, subject to all of the terms and conditions of this policy.
