

Private Equity PROtectSM

OFFERING PRIVATE EQUITY FIRMS AND PORTFOLIO COMPANIES A COMPREHENSIVE SUITE OF INSURANCE COVERAGE

Argo Pro's Private Equity PROtect gives private equity firms and portfolio companies a comprehensive suite of insurance coverage to mitigate risks throughout the investment cycle.

Protecting Private Equity Firms

Argo Pro's Private Equity PROtect coverage for PE firms includes general partnership, management liability and professional liability coverages that can be tailored to fit your needs.

Protecting Portfolio Companies

Private Company PROtectSM

Private Company PROtect is a management liability package product offering private companies access to various coverages under one policy: directors and officers, employment practices, fiduciary and miscellaneous professional liability.

Protecting Buyers and Sellers

Transactional Risk Coverage

Through a partnership with BlueChip Transactional Risk, Argo Pro underwrites products including breach representations and warranties, tax indemnity and contingent liability insurance.

D&O Run-Off Coverage

- Successor-in-Interest language
- Straddle claim language
- Up to 6-year run-off policy periods

Private Equity Appetite

Primary focus on firms of \$200 million to \$4 billion of deployed Assets Under Management

- Pure PE style, preferably single-fund managers
- Primarily U.S.-based assets and operations
- Lead, control investors versus co-investors
- Mature due diligence and valuation processes, control environment and limited partner reporting
